

Araceli

Araceli is our student of the month for April 2018! She started taking English classes at Centro in September of 2017 and has already logged over 170 hours.

Araceli is originally from Cuatla Morelos, Mexico and came to the United States in 2005. Araceli is a dedicated stay at home mother to her two children, Diana & Cody.

Araceli wants to learn English so she can be self-sufficient and converse with other English speakers. She said she's finally able to recognize phrases and words that she hears on the street!

When asked about Minneapolis, Araceli said, "I like everything minus the cold." When it's not snowing in April, some of her favorite activities are walking to the park with her kids, having a picnic and visiting the zoo!

Araceli is a determined & motivated student, and we are happy she chooses to call Minneapolis "home."

Thank you for the joy you bring to Centro, Araceli!
