

Deirdre

Deirdre is our volunteer of the month for February 2019!
Deirdre has been teaching High Intermediate & Beginner 1 classes since 2012 and has logged over 400 volunteer hours!

As she neared retirement, Deirdre discovered an ad in her church bulletin looking for volunteers to teach English to immigrants and though she had never taught before, she was interested in this opportunity. Deirdre quickly fell into a rhythm as she got to know her students and has loved developing relationships with both students and staff at Centro. Her favorite part of teaching is “when a student understands something and the light bulb goes on”.

After teaching High Intermediate for a number of years, Deirdre recently shifted to teaching Beginner 1 when a position opened. She continues to amaze us with her flexibility and willingness to serve. When she is not teaching Beginner 1 on Tuesdays, Deirdre enjoys being active and nurturing a healthy lifestyle consisting of biking, walking, doing crossword puzzles, cooking, and baking.

Thank you for your support!
You are a joy to work with, Deirdre!
