

Carol & David

Carol & David are our volunteers of the month for September 2018!
Carol & David began team-teaching English classes at Centro in 2017
and have each logged over 70 hours!

When David & Carol saw an ad in their church bulletin looking for people to teach English to immigrants, they decided this was something they wanted to do together. When asked what their favorite parts of teaching at Centro are, Carol & David smiled at each other: “Could it possibly be the students?!” The students’ enthusiasm and willingness to learn keep Carol & David coming back every week.

When they are not teaching Beginner 2 on Tuesdays, David & Carol are most likely biking, ballroom dancing, or hiking around Minnesota. They have collectively biked over 500 miles this summer! They’re a joy to have around for both staff and students; Batran, a Beginner 2 student, looks forward to “Two Teacher Day” every week!

Thank you for sharing your time and gifts with us, Carol & David!
We are grateful for you!
