

# Asha

Asha is our student of the month for June 2018! Asha started taking English classes at Centro in September of 2015, and has logged over 280 hours!

Asha arrived in Minnesota on June 1<sup>st</sup> of 2015 with her children and mother-in-law. She has 6 children now, ranging from 1 to 14, and lives with them, her husband, Ahmed, her sister-in-law, Kuresh, and her mother-in-law, Halimo.

In her free time Asha enjoys bringing her kids to the park, shopping at the Somali mall and taking care of her home.

Asha is one of our most loyal students, arriving early every day to complete extra computer work. She “speaks English little, little,” and enjoys coming to Centro for the talented teachers and friendships she has made.

Asha is currently working towards getting her driver’s license and one day hopes to be a teacher herself. Thank you for calling Centro Guadalupano “home”, Asha! We’re happy you’re here.
