

# Mary Ann

Mary Ann is our volunteer of the month for April 2018!  
Mary Ann started teaching English classes at Centro in 2009  
and has logged over 500 hours!

Mary Ann began volunteering because she felt “an attachment to immigrants and wanted to help them adjust to their new situation.” 9 years later, Mary Ann calls Centro, “a happy place to be.” She enjoys meeting the other volunteer teachers and getting to know the students (“they’re wonderful!”). When Beginner 2 student, Batran, was asked about teacher Mary Ann, she said, “I like her...good teacher.” Another student, Diana, shared her thanks: “Thank you for your help! Your class is very good!”

When she is not teaching Beginner 2 on Wednesdays, Mary Ann enjoys spending time with her 10 grandchildren, exploring the outdoors (walking/snowshoeing in the woods), swimming, & doing yoga.  
Mary Ann is a wonderfully positive & consistent volunteer.

Thank you for sharing your time and gifts (& flowers) with us, Mary Ann!  
We are grateful for you!
